Rickey's World is back

ajay_bhargav, Wed Nov 21 2007, 12:25 pm

Dear members,
We are recovered from a huge server problem. I am really sorry to say but we have lost all the data including forum posts, chatbox posts, and registered users of past 7 days. I really apologize for this downtime. Our server admins are working to somehow get the data back.
Please bear with us.
Regards,
Ajay
