LCD Pinouts

ajay_bhargav, Sat Dec 10 2005, 02:37 am

HURRAY!!!

happy news for programmers!

Mobile Phone LCD secret revealed

check out new page in the navigation manu, LCD Pinouts
i have added lots of details which will be helpful for programmers.

Now you can use better graphic LCDs insted of using that boring alphanumeric LCD. simple protocols, and easy interface.

JUST CHECK IT OUT!

THERE IS LOT MORE INSIDE!
